It's not really...
Since all sorts of bad things may happen because of that finger, today you can leave it all to me, your big sister!

You didn't use the filter!!
Please put it in properly!
Ummm, is it like this?

Ah

I knew she can't be relied upon.

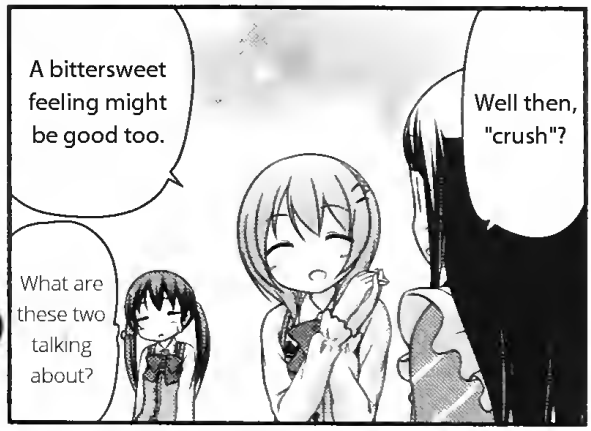
How about "love"?
I think that's also good, but it comes off a bit too serious.



Well then, "crush"?
A bittersweet feeling might be good too.
What are these two talking about?

N-no way, you got somebody you like...!?

No, I was coming up with new dish names.
Right, I see...
Why is she doing it here?
That's what I thought.
Won't you think with us, Chino?

In the end, it's just feeding
